

# **METRIX Contractors**

FOR IMMEDIATE RELEASE

Eastbourne, East Sussex, 26th February 2018

## **Exciting refurbishment starts on Columbus Point, one of Europe's largest water features**

Metrix contractors is delighted to announce that they have commenced work on the refurbishment of Columbus Point Water Feature in Sovereign Harbour, Eastbourne.

Following a robust selection process with Columbus Point Management Company, which take care of the water feature, Metrix were chosen as the preferred supplier for this large scale refurb.

## **One of the largest water features in Europe**

As one of the largest water features in Europe, anchor shaped and measuring 310 metres long, Columbus Point refurbishment represents an exciting project for the Metrix team.

It will take around three months to refurbish the entire feature, each section of the anchor taking a month. The water feature will be sanded, primed and then coated in resin. The first section has now been drained, in preparation for sanding.

Metrix have partnered with Westwood, who provide cutting edge, hard wearing resins which will help to give the water feature a unique finish.

## **Owned by the residents**

Columbus Point is owned by the 369 properties that surround the water feature. The residents have been instrumental in choosing the finish through a consultation process designed to ensure they will be really happy with the end product, which will be ready for the Summer.

Stephen Dartnell the owner of Metrix Contractors said of the contract, "We are delighted to have been selected to partner with the Columbus Point team to deliver the refurbishment of this beautiful water feature. We're using an innovative new product produced by Westwood to ensure that the water feature looks it's best for residents and visitors for many years to come.

Ends

Metrix Contractors is a family run builders firm based in Polegate East Sussex.
